Ustaz Mohamed Tajuddin Bin Noor

RAISING RIGHTEOUS CHILDREN

“How do we become righteous parents worthy of being the role model for our children?”

"Every one of you is a shepherd and is responsible for his flock." [Bukhari]

RAISING RIGHTEOUS CHILDREN

A righteous family is not something we can build overnight, it starts with early intention/realisation and lots of effort.

“Verily, deeds are only with intentions, and every person will have only what they intended” [Bukhari]

3 Phases of Preparation

1

Before Child is Born

2

Early Childhood

3

Parenthood : A Lifelong Journey

Preparation Before Having Children

“A woman is married for four things: her wealth, her lineage, her beauty, and her religion. Choose the one with religion, may your hands be rubbed with dust (i.e. may you prosper).” [Bukhari]

“Tarbiyah is caught before it is taught”

“The family is the first madrasah, and parents are the first living examples of Islam for the child”

Preparing 'Us' before 'Them'

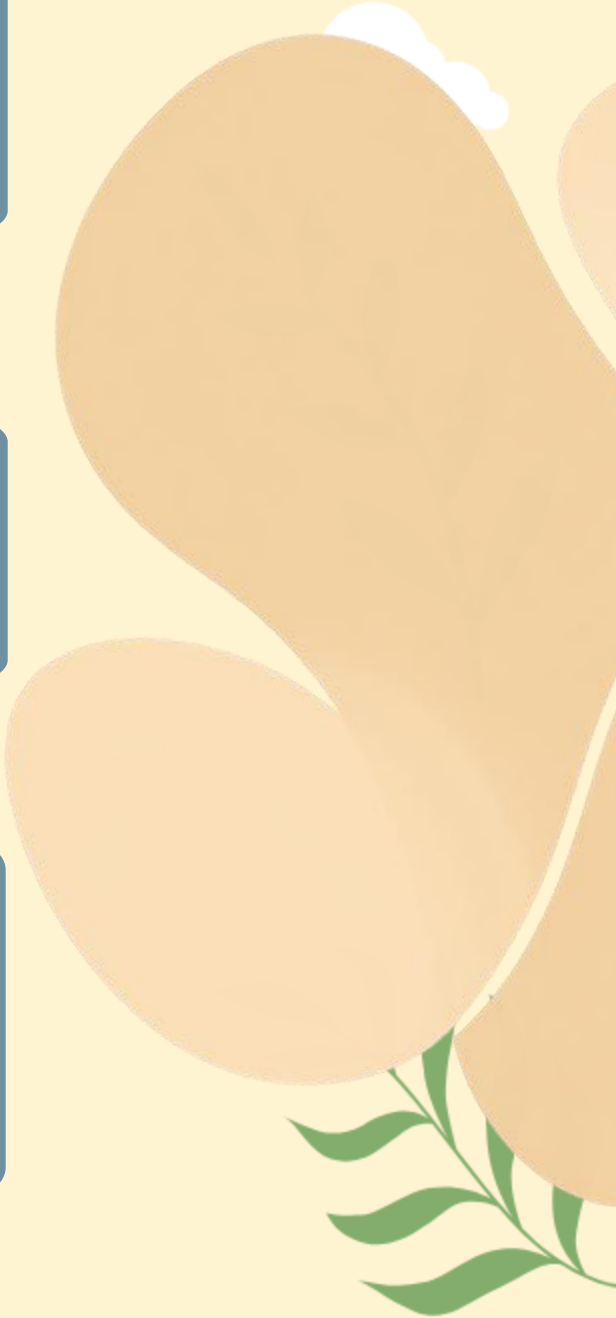

Strengthen our understanding of Islam

Study the seerah of Rasulullah SAW

Inculcate righteous values in ourselves so children
'absorbs' from us

The Importance of a Child's Name

A Muslim's name is not just a label. It is a dua' and an aspiration

Islamic Guidelines: Choose names with beautiful meanings that reflect faith, virtue, and good character.

Meaningful Names: Names like Abdullah, Abdur-Rahman, and names of prophets are beloved and carry spiritual significance.

Spiritual Parenting : Dua', Ikhtiar,
Tawakkal.

Make dua' a family culture, make it
dynamic and relevant at all times

and offspring comfort to our eyes and
make us leaders for the righteous."
(Surah Al-Furqan: 74)

Importance of Dua' & Reliance to Allah

Parenthood : A Lifelong Journey

discipline them for seven years, and
befriend them for seven years.”

– Imam Ali r.a
